- About us:

Superbowl has been a strong and active club from the start. Superbowl hosted the largest Off Road meeting at 196 entries. Superbowl has also hosted the only 5 Day National event in South Africa in 1996.

The First Nationals that I watched in about 1985 had 2 Hong Kong drivers brought out by Graham Vos. At this event the saying Hong Kong camber was coined as before this you could not adjust the camber on the cars. Every one rushed to buy 3mm threaded rod, and by the end of the Nationals everyone had camber adjustment.
